

# GSA: Reinvesting in our Federal Buildings

Mike Owens

GSA R8 Regional Recovery  
Regional Recovery Executive

## Presentation Overview

- Who is GSA?
- What does it mean to Montana?
- Resources

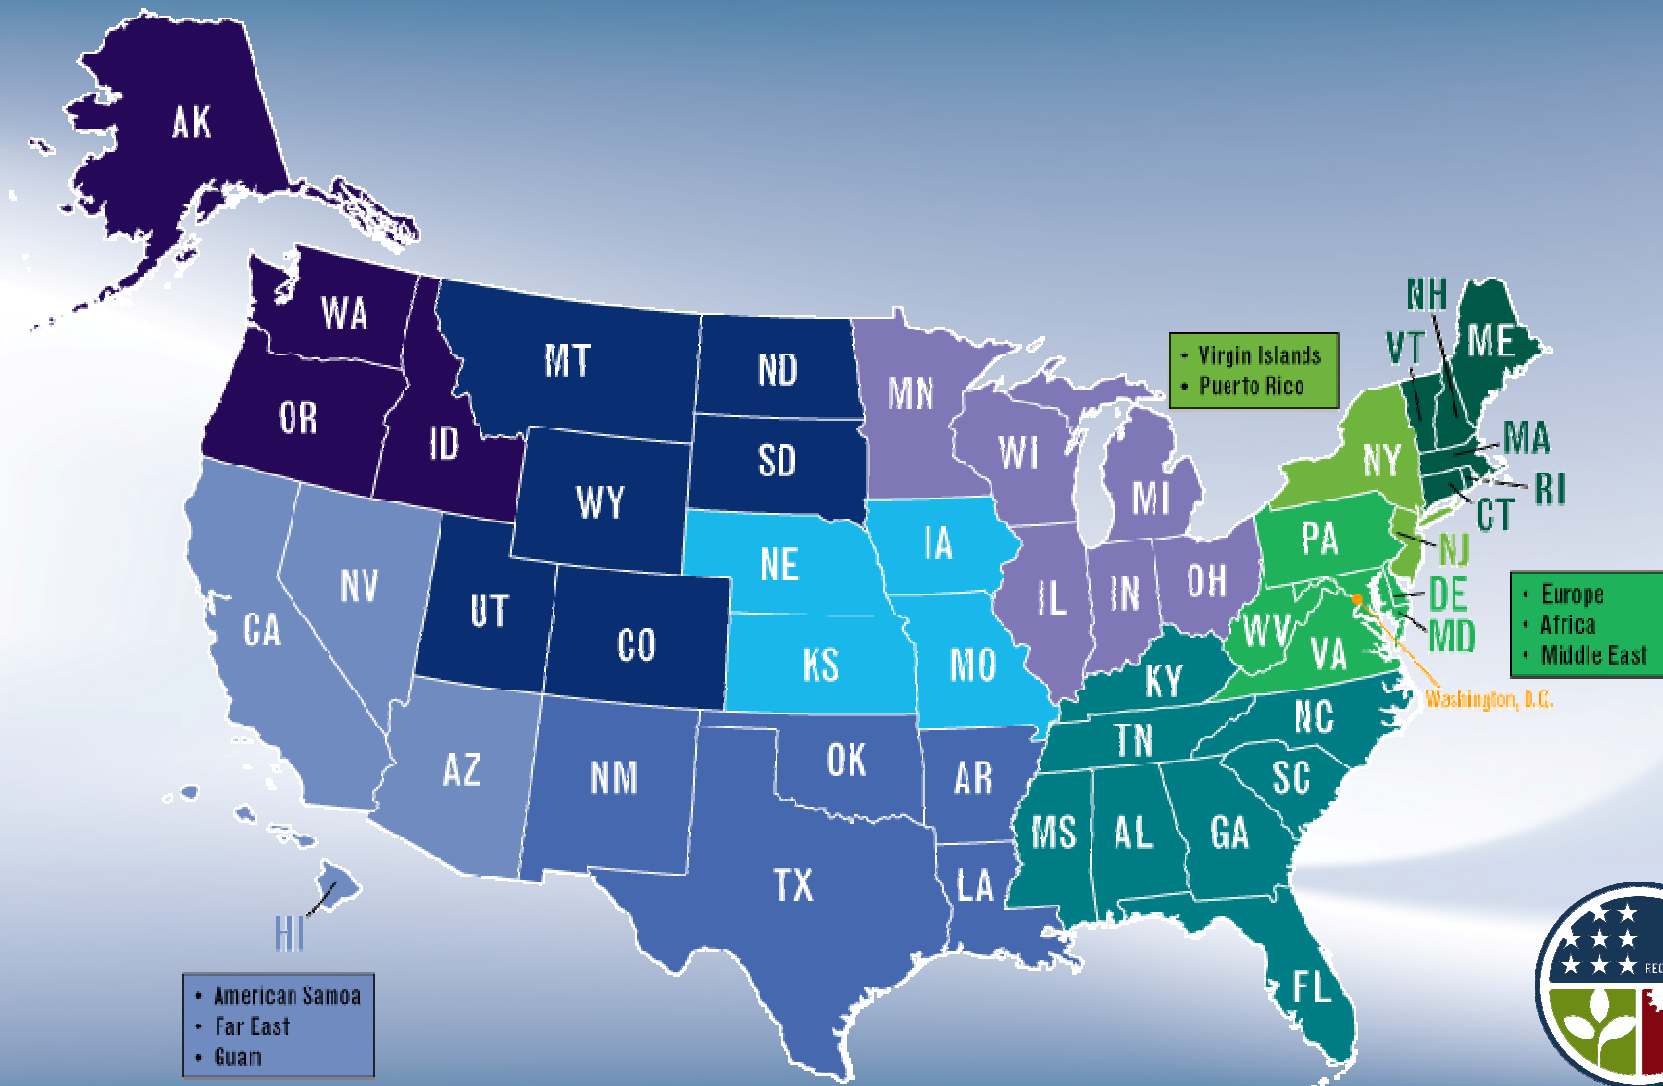

## Who is GSA?

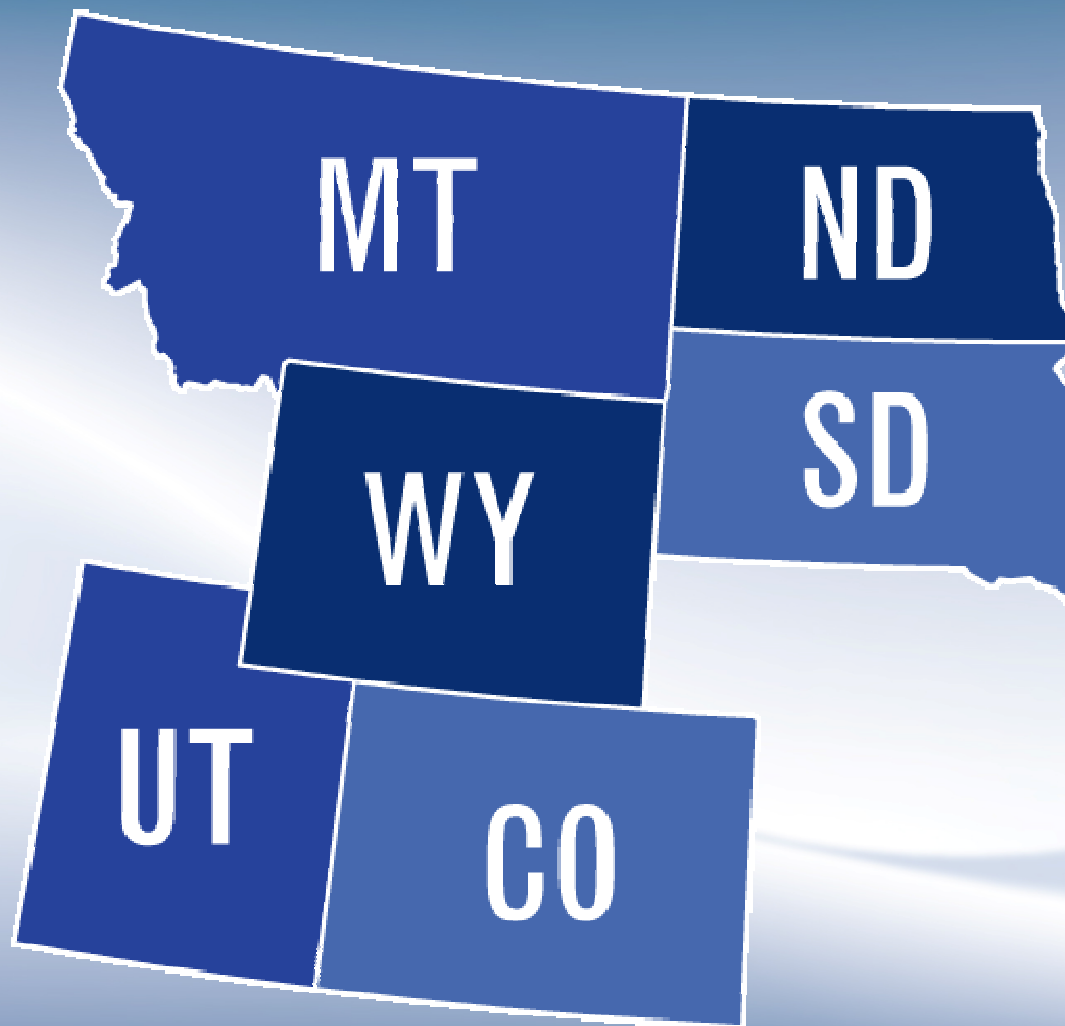

- We provide workspaces, products and services for the federal community
  - Own/lease **8,600 properties**
  - Provide workspaces for more than **1M federal workers**
- We welcome this opportunity to contribute to our nation's economic recovery, address strategic energy goals and reinvest in our public buildings.

## 11 Regions Nationwide

## Rocky Mountain Region

## Project Selection

- Energy Savings
  - Projects that have been designed or are in design with a focus on creating high performing, energy saving buildings.
- Speed of Delivery
  - Projects that can be developed and awarded quickly
  - Projects that can be completed before 2015

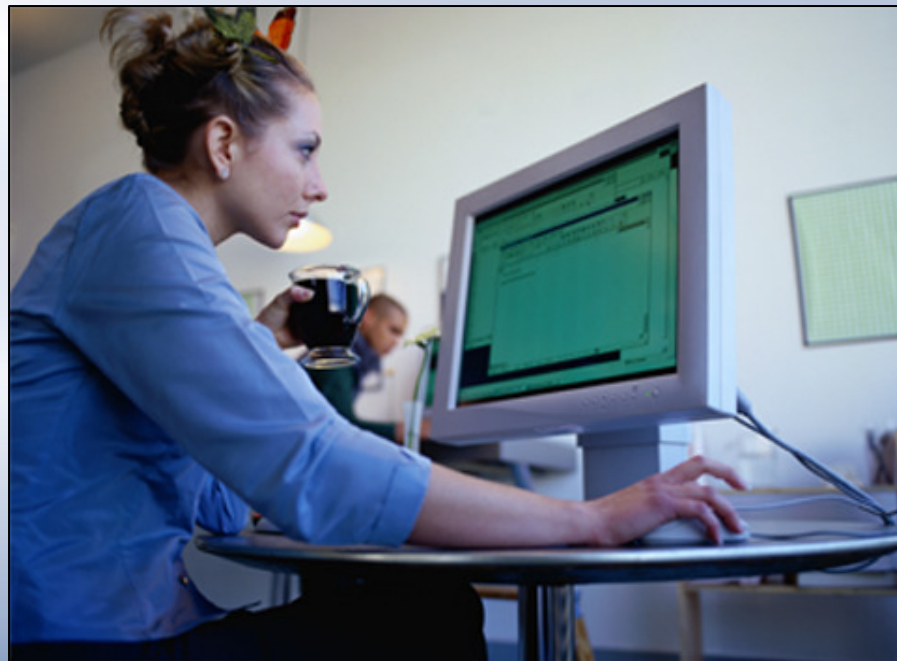

## What does the Recovery Act mean to Montana?

- **\$80,619,000** total funding
  - **\$79,989,000**- new construction
    - Billings U.S. Courthouse
  - **\$630,000** - re-commissioning project/building tune-up/Lighting
    - Bozeman Federal Building Post Office
